

Great News for Landlords and Renters!

Many have asked, and the time has finally arrived. We now have the ability to print duplicate bills to send to both the landlord and the renter. With this benefit, the renter will get an original billing for the property, and the landlord will also have an original bill to be able to monitor the payment status and balance of the account. If your account is currently paperless, the landlord and renter will both receive an e-mail notification of the bill.

If you are a landlord interested in setting up this benefit, please fill in the information on the back of this form and return it to Sandy Suburban Improvement District, 8855 South 700 West, Sandy, Utah 84070 or FAX it to 801-495-4076. You may also e-mail the required information to billing@sandysid.com or call us at 801-561-7662.

If you are an interested renter, please contact your landlord who can authorize the setup.

Landlord and Renter Duplicate Bill Setup Form

Landlord Name _____
Landlord Email _____
Mailing Address _____

Renter Name _____
Renter Email _____
Property Address _____

I authorize this account to be setup to send an original bill to both myself and the renter.
